1. The Construction Enterprise of the Ministry of Health (Intreprindere de Constructii Ministerul Sanatatii - ICMS), located on Calea Victoriei opposite the Biserica Alba (White Church), was abolished in July 1951. Its work was taken over by the Ministry of the Interior. Its personnel in July 1951 consisted of approximately 150 technical and administrative employees and approximately 500 workers.
2. Up to July 1951 ICMS had completed the following work:
 - a. Modernization and expansion of the tuberculosis sanitarium at Moroeni (Prahova district) to 400 beds. An electric turbine was installed to supply power.
 - b. Construction of a civilian hospital of 40 to 50 beds at Mogosesti (Ilfov district).
 - c. Construction of a tuberculosis sanitarium at Barnova (Iasi district). This sanitarium, which received American-made furniture through the Red Cross, has 200 to 250 beds, a pumping station for water, and diesel engines for power.
 - d. Expansion of the former Bratianu hospital at Buzau to 400 beds and installation of central heating.
 - e. Construction of a nursery for 100 children (three months to three years old) at Buzau.
 - f. Constuction of a general clinic and a 500-bed dormitory for apprentices at Targoviste.
 - g. Construction of a new 400-bed tuberculosis hospital in a village near Giurgiu. Building costs alone exceeded fifty million lei.
 - h. Construction of a 500-bed tuberculosis hospital near Balotesti (Ilfov district).
